## **Terrebonne General Health System Public Service Announcement Concerning Fraudulent Job Posting Scam**

Terrebonne General Health System had become aware of a fraudulent internet scheme involving erroneous job postings. We want to make the public aware of this fraudulent internet activity that is taking place on the LinkedIn social media platform. The domain name that is being used is **tghealthsystemcareers.work**. This domain is in no way associated with Terrebonne General. Please DO NOT respond to these inaccurate job postings for REMOTE work positions on LinkedIn. They are requesting online interviews, letting people know they have a job, asking for personal information, and requesting payments. Please DO NOT provide personal information such as your social security number or banking account information.

Terrebonne General has notified the proper Internet Crime Complaint Center 3 (IC3) authorities and the domain name provider of this illegal internet activity and is working to resolve this situation. Terrebonne General would like to advise anyone seeking a job at Terrebonne General to do so via **tghealthsystem.com**. Below are standard job posting practices.

- The Terrebonne General Website name is **tghealthsystem.com**.
- Job postings for our organization are made on LinkedIn under our **tghealthsystem.com** name.
- There are no REMOTE job opportunities.
- Interviews are done in person.
- There is never a request for payment for any job position.

If you feel you have been a target of this scam, please contact IC3 at:  
<https://www.ic3.gov/Home/FileComplaint>

Thank you for your continued support of Terrebonne General Health System, our region's largest and most innovative healthcare leader.

###

### **About Terrebonne General Health System**

*Terrebonne General Health System is the largest healthcare resource provider in southeast Louisiana that has taken the lead to deliver medical excellence and innovation to the people of Southeast Louisiana. Driven by a "high tech" and "high touch" style of healing that offers an expansive range of services that provide hospital care and preventive care while also providing basic healthcare needs on and offsite. Our highly skilled healthcare team consists of over 1,500 employees, with over 450 medical staff providers that offer 42 various specialties. Our system has been honored with many prestigious awards and accolades for quality, safety, and patient experience on the state, national and international levels. Terrebonne General took the lead to initiate a public/private partnership with Ochsner Health which delivers crucial safety-net services for the region through Chabert Medical Center and is part of an alliance of healthcare-focused entities across the greater Gulf South region. For more information, please visit [www.tghealthsystem.com](http://www.tghealthsystem.com) and follow us on Facebook, Twitter, and Instagram.*
