Visitation Guidelines

VISITORS MUST HAVE PATIENT'S FIRST AND LAST NAME AND ROOM NUMBER TO BE PERMITTED ONTO UNIT.

GENERAL VISITATION:

- Visiting hours are between: **7:30 am and 8 pm.**
- Entry may be permitted through the Emergency Department under special circumstances.
- All visitors should wash their hands before and after visiting.
- Visitors are to wait in the waiting rooms - not in the hallways.
- The health and safety of our patients is most important. Visitors may be asked to leave at any time.
- Please do not visit if sick.

OUTPATIENT, OBSERVATION AND LABOR & DELIVERY VISITATION:

- Three support persons are allowed to visit at a time.
- Big brothers and sisters are not included as support persons.
- If the patient is not in active labor, only two support individuals are able to stay overnight. All other visitors may return at 7:30 am or when active labor begins.

POST PARTAL/GYN VISITATION:

- Food is allowed, but check with the patient's nurse prior to bringing food on the unit.
- Two visitors may stay overnight with the patient. One visitor must be an adult; a child 12 years or older will be allowed at the discretion of the staff.
- General Visitation rules are to be followed throughout the hospital stay.

Scan the QR Code for the Visitation Policy.

DELIVERY ATTENDANCE:

- For a vaginal delivery, no more than three support persons are allowed to stay.
- For a c-section delivery with an epidural, no more than two support persons are allowed and may remain for recovery.
- For a c-section delivery under general anesthesia (when the patient is sleeping), no support persons are allowed in the delivery.
- Support persons are to remain in the delivery until it is completed, and will not be allowed to go in and out.
- Children under 12 are not allowed during a vaginal delivery and children under 16 are not allowed during a c-section delivery.
- No support persons will be allowed to remain with the patient during the administration of spinal or epidural anesthesia.

RECOVERY VISITATION:

- Vaginal delivery - three support persons are allowed.
- C-section delivery with an epidural - two support persons are allowed.
- C-section delivery under general anesthesia - support persons are allowed based on the acuity of care.
- Big brothers and sisters are not included as support persons

For any further questions or concerns, please ask your assigned nurse.
